

INDUSTRIAL PROCESS MEASUREMENT, INC.

Instrumentation Supply, Service & Accredited Calibration

INSTRUMENTATION

SALES • SERVICE • CALIBRATION

Aalborg – Mass Flow Meters, Controllers, Rotameters, Needle Valves

Absolute Process Instruments – Signal Transmitters & Convertors, Digital Temperature & Pressure Gauges

Additel – Pressure Calibration Pumps, Digital Gauges & Calibrators

AEMC (Chauvin Arnoux) – Electrical Test Instruments, Current Clamps, Current Probes, Data Loggers, DMMs, Ground Resistance, Megohmmeters, Micro-Ohmmeters, Oscilloscopes, Power Meters

Ametek (Jofra) – Calibration Instruments, Dead Weight Testers, Dry Block Calibrators, Hand Pumps, Digital Pressure Gauge

Altek – Portable Signal Calibrators

Amprobe – Portable Test Instruments

AnD – Scales and Balances

Ashcroft – Digital Pressure Gauges, Transmitters, Switches, Portable Pressure Calibrators

Armstrong – Torque Wrenches

Bacharach – Gas Detection, Combustion Analyzers, HVAC Test Instruments

Ballantine Labs – Low Resistance Measurement Instruments

Bellofram – I/P & E/P Transmitters, Pneumatic Controls, Diaphragms, Pressure Regulators

Beta (Now Martel Electronics) – Calibration Instruments

BK Precision – Bench Test Instruments, AC/DC Power Supplies, Oscilloscopes, Spectrum Analyzers, LCR meters, DC Loads, Function Generators, RF Analyzers, Frequency Counters

Cal Controls – Digital Temperature Controllers

CDI – Torque Wrenches & Measurement

Cecomp Electronics – Digital Pressure & Temperature Gauges

Continental Control Systems – WattNode AC Power & Energy Meters

Criterion Instruments – Hipot Testers

Crystal Engineering (Now Ametek) – Digital Pressure Calibrators, Gauges

Dickson – Chart Recorders

Digitron (SIFAM) – Portable Pressure & Temperature Meters

Dranetz BMI – Power Quality & Energy Management Products

Druck (GE) – Portable Calibrators & Pressure Instruments

Dwyer – Temperature, Pressure, Flow & Level Instruments, Portable HVAC Test Instruments

Easthills Instruments – Hand Held Pressure Calibration Pumps, Digital Gauges

Extech Instruments – Portable Test Instruments

FLIR – Portable Thermal Imagers & Analyzers

Flowline – Level Sensors, Detectors & Controllers

Fluke – Electrical Test, Scopemeters, Power Quality, Thermal Imagers, Process Calibrators, Metrology Instruments, Deadweight Testers

Fuji Electric – Temperature Controllers, Chart Recorders, Portable Flow Meters

GMC Instruments – Portable Test Instruments, Signal Convertors

General Tools – Portable Test Instruments

Global Specialties – Bench Test Instruments, DC & AC Power Supplies

Graphic Controls – All Major Brand Chart Pens and Paper Supplies

Graphtec America – Data Loggers, Graphical Recorders

GW Instek – Bench Test Instruments, DC Power Supplies, Oscilloscopes, LCR meters, DC Loads, Function Generators, RF Analyzers, Frequency Counters, Milli Ohm Meters, AC/DC Hipot Testers

Hanna Instruments – pH, Conductivity & Temperature Instruments

Hart Scientific – Temperature Metrology Instruments, Dry Block Calibrators

Humpage Technology – Calibration Toolbox ADO Calibration Management Software

Hoyt – Analog Panel Meters, Test Instruments

Imageworks – Pressure Calibration Hand Pumps

Inor – Temperature & Signal Transmitter Convertors

Isotech – Temperature Metrology Instruments

KIMO – Humidity, Temperature Pressure Transmitters, Portable HVAC Test Instruments

Kobold Instruments – Flow, Pressure, Level, Temperature and Humidity Sensors, Meters and Controllers

Madge Tech – Data Loggers for Temperature, Humidity, Pressure, Process Signals, Level and Vibration/ Shock, Event

Marsh Instruments – Pressure Gauges, FLR Regulators

Martel Electronics – Portable Pressure, Temperature & Signal Calibrators, Calibration Hand Pumps

Megger – Biddle – Electrical Test Instruments

Meriam Process Technologies – Portable Pressure Calibrators, Manometers, Flow Orifices

Mitutoyo – Mechanical Gauging Tools including Calipers, Micrometers, Height Gauges

Monarch Instruments – Portable & Fixed Tachometers, Stroboscopes, Paperless Chart Recorders

Newport Electronics – Temperature Controllers, Panel Meters, Thermocouple/RTD Assemblies, Thermocouple Wire, Recorders, pH Meters, Signal Conditioners, Data Acquisition

NK Technologies – AC & DC Current Alarms, Transmitters, Trip Relays, Power Sensors

Noncontact Meters – Ultrasonic Flow Meters

Oakton – Portable Temperature, pH, Conductivity Meters, Standard Calibration Solutions, Data Loggers, Thermocouple Probes

Partlow – Temperature & Process Controllers, Chart Recorders

Precision Digital – Panel Meters

Precision Instruments – Torque Wrenches and Drivers

Pomona Electronics – Test Leads, Patch Cords

Probe Master – Test Leads, Oscilloscope Probes, Banana Patch Leads

Proto Industrial – Torque Test Instruments

Raytek – Infrared Temperature Meters and Sensors

Reed Instruments – Portable Test Instruments

Reotemp Instruments – Temperature and Pressure Instruments

RCM Industries – Differential Pressure Flow Meters

Seahorse – Heavy Duty Instrument Cases

Setra – Pressure Transmitters

Shimpo – Tachometers, Stroboscopes, Force Gauges

Signet (George Fisher) – pH, Conductivity, Flow Process Controls & Meters

Simpson Electric – Electrical Test Instruments, Digital & Analog Panel Meters

SI Pressure – Portable Pressure Calibration Pumps

Sixth Sense – Paperless Chart Recorders

SUPCO – Chart Recorders, Data Loggers, Test Instruments

Techne – Dry Block Calibrators

Tek Know/Scan Sense – Temperature & Pressure Calibrators

Testo – Temperature, Humidity, Air Flow, Combustion Test Instruments

Texmate – Panel Meters and Bar Graph Displays

Thermocouple Products – Industrial Thermocouple & RTD Sensors & Custom Assemblies

Time Electronics – Decade Resistance Boxes

Triplett – Jewel – Test Instruments, Analog Panel Meters

Troemner – Calibration Weights

UEI – Electrical & HVAC Test Instruments

Vaisala – Humidity, Dew Point, Temperature & Barometric Pressure Measurement Instruments

Veriteq – Data Loggers for Temperature and Humidity

West – Temperature Controllers, Paperless Chart Recorders

Comprehensive Calibration Capabilities

Capabilities List:

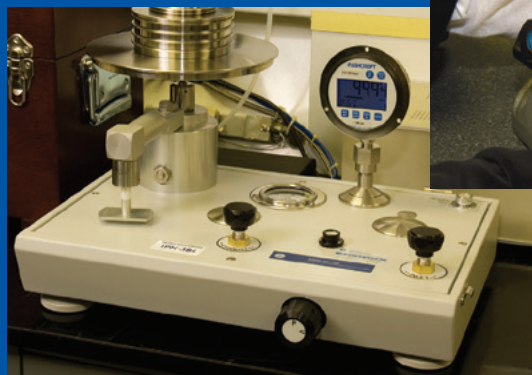

- Anemometers
- Attenuators
- Balances & Scales
- Barometers
- Calibrators – All Types
- Calipers (Dial & Digital)
- Capacitance Meters
- Chart Recorders
- Clamp Meters (AC/DC)
- Counters
- Data Loggers
- Decade Resistance Boxes
- Dial Calipers
- DMM
- Durometers*
- Dry Block Calibrators
- Flow Meters*
- Force Gauges
- Frequency Generators
- Frequency Counters
- Ground Resistance Testers
- Height Gauges
- High Voltage Meters
- Hipot & Safety Testers
- Humidity Meters & Transmitters
- Inductance Meters*
- IR Thermometers
- LCR Meters
- Light Meters*
- Mass (Weights)*
- Megohmmeters
- Micrometers
- Micro/Milli - Ohmmeters
- Multimeters
- Network Analyzers*
- Oscilloscopes
- Panel Meters
- pH Meters/Transmitters*
- Power Meters (RF & AC/DC)
- Power Sensors (RF)
- Power Supplies (DC & AC)
- Pressure Calibrators
- Pressure Gauges & Sensors
- Pressure Switches
- Protractors*
- Recorders (All Types)
- Resistance Standards
- Rotameters*
- Scales
- Signal Analyzers & Gens
- Sound Level Meters/Calibrators*
- Spectrum Analyzers
- Stroboscopes
- Stop Watches & Timers
- Tachometers
- Thermometers
- Torque Gauges & Wrenches
- Vacuum Gauges
- Volt Ohm Meters
- Watt Meters

*Parameter is not part of our ISO 17025 scope of accreditation

Air Flow

Electronic Bench

Mechanical

Pressure

Calibration services are available in our state of the art laboratory or at your site. IPM Inc. continually expands the capabilities of our calibration lab to strengthen our service offering to you. Major areas we have capabilities include electrical, thermo dynamic, dimensional and mechanical disciplines.

ISO 17025:2005 Accredited
ISO 9001:2008 Certified

Certificate# 2733.01
Calibration
